October, Main Office/Dixie Bloor

Program Descriptions	Workshops:
<p><u>Family Time</u> A program for families with children (0-6 years). The focus of the program is supporting child development in the context of stimulating environment and positive relationships. Activities included are; learning stations; sensory and arts activities for individual exploration and group song and story time is available.</p>	Drop in
<p><u>Booking Sharing & Songs</u> An interactive program for families with children (0-6 yrs) that focuses on songs, rhymes, and finger plays, poems and movement to music. The program promotes early learning and literacy and a sense of belonging.</p>	Drop in
<p><u>Family Move and Groove</u> An interactive program for parents/caregivers and their children (0-6 years) to introduce children to the concepts of music, movement and creative play. Children and families engage in enjoyable and developmentally appropriate activities that foster language skills, self-regulation, turn taking, and gross motor skills.</p>	Drop in
<p><u>Infant Mother Goose</u> An interactive program for families with babies (0-12 months) that facilitates positive bonding and attachment, which is vital to the ongoing healthy development of the caregivers/child relationship. By engaging in rhymes, songs and stories there is an emphasis on the early development of infants' communication and language skills.</p>	Drop in Wednesdays 10:30 - 11:45
<p><u>Literacy Afternoon</u> A program for families with children (0-6 years) that promotes a love for books and the joys of reading and literacy through songs, rhymes, and stories. Reading helps children learn how language is used, builds vocabulary, expands imagination, helps make sense of the world, and provides tools for developing critical thinking skills.</p>	Drop in Thursdays 1:00-7:00
<p><u>Math is Everywhere</u> A program for families with children (0-6 years) that fosters a positive attitude towards mathematics by engaging in a variety of developmentally, appropriate plays activities. Math concepts, such as counting, shape, patterns, comparisons, and probability will be explored by building on children's previous knowledge. When a family has fun working on math together, respecting each other's learning styles, everyone benefits.</p>	Drop in Tuesdays 1:00 - 2:00

***All programs are for parents/caregivers and their children.
Parents are responsible for supervision of their children during programs.***
