POE Airport Service Provider Organizations (SPO) must also ensure clients meet the Resettlement Assistance Program (RAP) SPO or sponsors waiting for them at the POE airport, or must make arrangements to transport GAR or JAS (or all newcomers) clients to temporary accommodation. (this arrangement can be made for PSR or BVOR clients but they have to pay the hotel expenses through the Transportation loan) If the POE is not the final destination, the POE SPO must address immediate in-transit needs, and assist clients to their onward ground or air transportation to their final destination where they will be met by the RAP SPO or sponsors. Arrangements for overnight accommodation and transportation to and from this accommodation are also made by the POE Airport SPO in the event of an onward connection scheduled for the next day.</p>
