February 2019, Tomken

Program Descriptions	Workshops:
<p><u>Family Time</u> A program for parents/caregivers and their children (0-6 years) that focuses on promoting positive child development in an informal relaxed environment. Activity stations, arts and crafts, a variety of books, and resources will be available. Come out and meet new people, socialize and have fun!</p>	
<p><u>Songs and Stories</u> An interactive program for families with children (0-6 years) that focuses on songs, rhymes, finger play, poems and movement to music. The program promotes communication and language skills, patterning, self-regulation and critical thinking.</p>	Drop in
<p><u>Family Move and Groove</u> An interactive program for parents/caregivers and their children (0-6 years) to introduce children to the concepts of music, movement and creative play. Children and families engage in enjoyable and developmentally appropriate activities that foster language skills, self-regulation, turn taking, and gross motor skills.</p>	Drop in
<p><u>Great Start for new Parents (0-12 months)</u> An interactive program for parents/caregivers with young children searching to connect with other parents. The program focuses on creating a safe and welcoming space to establish a new sense of self and well-being to share experiences, strategies and receive support while meeting other parents in an informal and relaxed environment.</p>	Drop in Tuesdays 1:30pm - 3:30pm
<p><u>Infant Time</u> A program for parents/caregivers and their infant (0-18 months) to explore early learning activities and network with other caregivers. A focus on interactions between the adult and their baby nurtures attachment and easy and fun activities to do at home with your baby. There are opportunities to ask questions and interact with other parents.</p>	Drop in Thursdays 9:30-12:30
<p><u>Infant Mother Goose</u> An interactive program for families with babies (0-12 months) that facilitates positive bonding and attachment, which is vital to the ongoing healthy development of the caregiver/child relationship. By engaging in rhymes, songs and stories there is an emphasis on the early development of infants' communication and language skills.</p>	Drop in Thursdays 10:45-11:15
<p><u>Math is Everywhere</u> A program for families with children (1-6yrs.) that builds on child's natural curiosity to explore their world through a range of everyday activities and play situations; at home, in nature, in books and rhymes, at the playdough and sand and water play. Children's early experiences of mathematics form the foundation for their future mathematics learning and success. Mathematics enables children to think logically, strategically, creatively and critically.</p>	Math is Everywhere Drop in Mondays 3:30 - 7pm

*All programs are for parents/caregivers and their children.
 Parents are responsible for supervising their children.*
